

NAMA 2.0

Medical Aesthetics and Cosmetology Clinic

The Best You.

Founded by

Dr. Natasha Doshi

*Thoughtful care.
Advanced aesthetics.*

At Namaa, we believe aesthetic treatments should enhance what already makes you uniquely you.

Designed for today's busy lifestyle, our treatments are precise, effective and fuss-free combining advanced technology, premium ingredients and personalised care to help you look and feel your best.

**Real Ingredients.
Real Technology.
Real Results.**

We combine premium skincare ingredients with state-of-the-art aesthetic technology to create treatments tailored to individual skin, hair and aesthetic needs.

- FDA cleared products and skin care technology
- Clinically backed treatments
- Personalised treatment plans
- Advanced medical aesthetic solutions
